

## Privacy Policy

This document describes the general terms and conditions of the ICO AGROLOT (<https://agrolot.io>), in accordance with GDPR, regarding the AGROLOT software ("Software"), including all its services and features (collectively, "Services").

We strive to protect our Services users privacy. The terms "we", "us", "our" refer to AGROLOT (<https://agrolot.io>).

We process the Personal Information as a controller and as a processor, according to GDPR.

What information do we collect?

We use the personal data immediately upon your consent.

To provide certain services, we collect the following personal information:

- We collect your account name and information about the language you use from your Facebook, LinkedIn, Telegram account, etc. This information allows personalizing the communication with you.
- We will demand the information according to the type of document you select and other additional information required for the quality service.

This includes:

- Name of legal entities, their registration numbers, addresses, ownership structure, officials and executives personal data, email, phone number, dates of legal actions;
- Name of individuals, identification codes, passport data, date of birth, place of residence, place of work and position, email, phone number;
- Data received from payment system operators (Liqpay (<https://www.liqpay.ua/>) and Paypal (<https://www.paypal.com/us/home>)) in the manner of bank card ID, payment amount and time, etc.;
- Use of Internet identifiers (cookies, MAC and IP addresses, etc.) in order to secure our legitimate interests — for marketing purposes.

We require this information to provide the highest quality services according to your expectations and the Software tasks. Without receiving and processing this information, providing the services will become impossible.

Your personal data may be provided to third parties (solely to fulfill our legal responsibilities) in the manner of "using nicknames". This means the processing and transferring the personal data in a way that personal data can no longer be attributed to a particular data subject without the additional information.

We provide your personal data collection, processing, and storage in accordance with the best international practices, and we use all the best ways to protect and encrypt this data in order to avoid unlawful disclosure.

The Personal Data storage period lasts from 12 to 18 months and can be extended in specific cases solely by your personal decision. We will not store your information if it is no longer used for the purposes quoted in this Privacy Policy.

Other personal information disclosure cases not mentioned in this document, but we may disclose your personal information to third parties:

- to the extent that we must do it according to the law;
- on grounds of any litigation or future litigation;
- establish, implement or protect our legal rights (including providing information to others to prevent fraud and reduce credit risk); and
- to the buyer or seller of corporate or proprietary rights to ICO AGROLOT (<https://agrolot.io>). Except the cases contemplated by this Privacy Policy, we will not sell or transfer the personal information to a third party.

Your rights regarding your personal information.

You have the right to demand from us:

- access to the information collected;
- correctly update and save the information;
- remove any unwanted information collected;
- limit the information processing;
- stop the information processing in a case the information is used for direct marketing purposes; and
- send your personal information to any third party.

If you want to remove both saved and stored information, you will lose the opportunity to use our service, as well as access to the services provided earlier.

If you believe that using your personal information violates your rights, you can file a complaint with your national data protection service. Your personal information security Your personal information is stored and processed in USA.
